### **West Camden Bypass Project Update Intersection South St. and West St. Closure**

Camden – The Delaware Department of Transportation (DelDOT) announces that the intersection of South Street and West Street in Camden will be closed on **Monday, March 2, 2026 to Friday, March 27, 2026**. This closure is necessary as part of the West Camden Bypass project to relocate utilities and installation of stormwater drainage.

#### Detours:

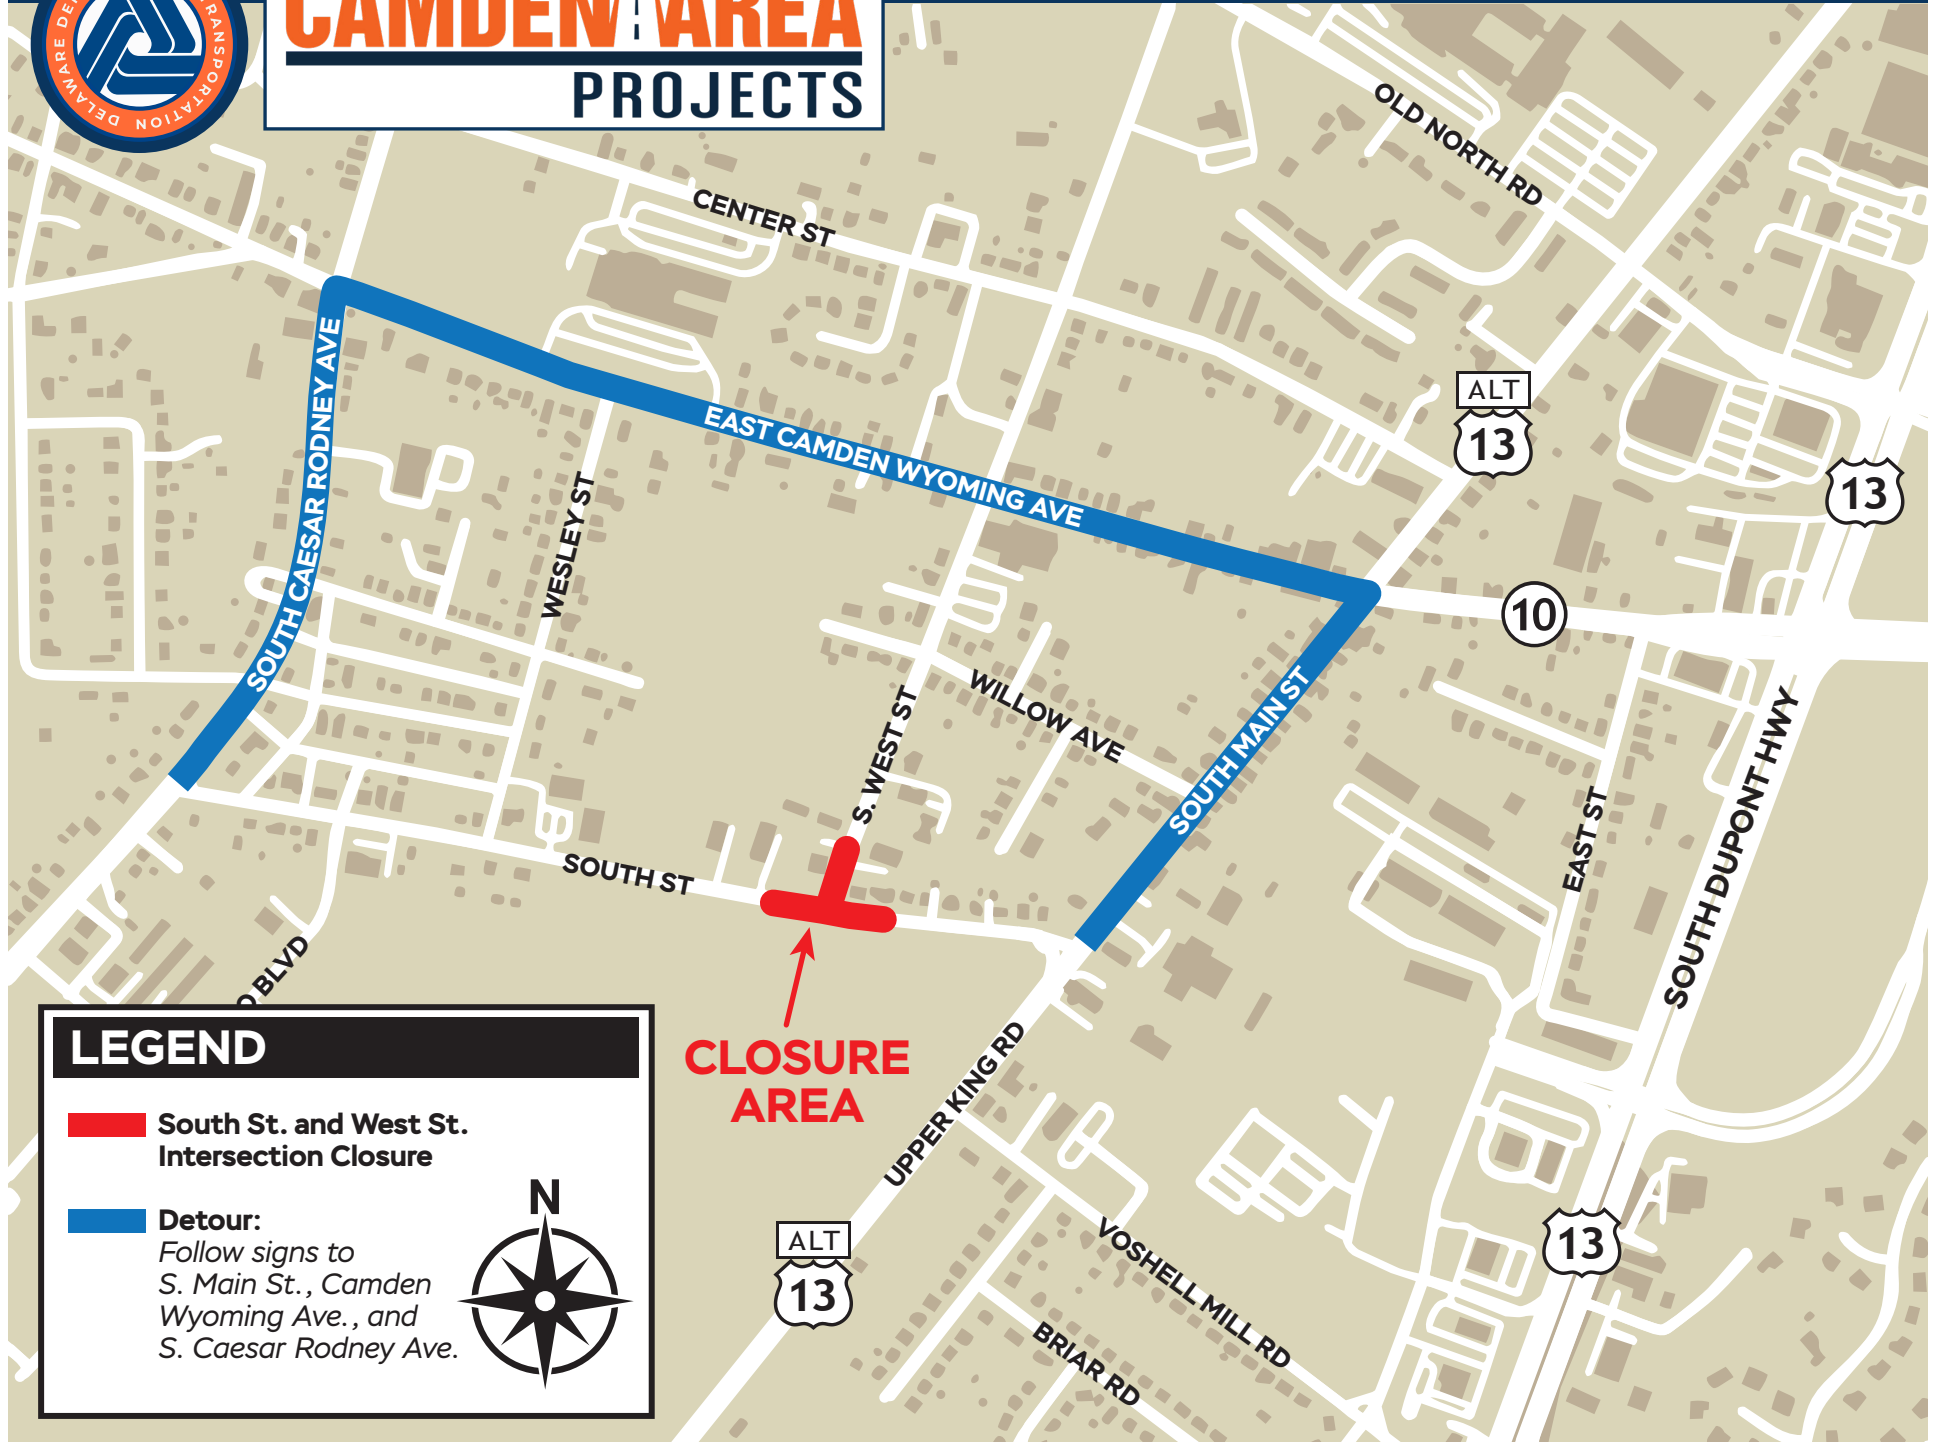

- Motorists traveling westbound from the east side of the closure should proceed east on South Street, turn left onto S. Main Street, continue to Camden Wyoming Avenue, and turn left onto S. Caesar Rodney Avenue.
- Motorists traveling eastbound from the west side of the closure should proceed west on South Street, turn right onto S. Caesar Rodney Avenue, continue to Camden Wyoming Avenue, and turn right onto S. Main Street.

Motorists are reminded to slow down in work zones and to expect minor delays while traveling in the area.

For more information, visit DelDOT's website at <http://www.deldot.gov> or <https://www.camdenareaprojects.com/> or tune to WTMC-AM 1380.
