West Camden Bypass Project Update Intersection South St. and S. Main St. Closure

Camden – The Delaware Department of Transportation (DelDOT) announces that the intersection of South Street and S. Main Street in Camden will be closed beginning on **July 6, 2026 for approximately 2 months**. This closure is necessary as part of the West Camden Bypass project to construction the proposed roundabout, pedestrian facilities and drainage in this area.

Detour Routes:

Westbound Traffic (From South Side of Closure on Upper King Road)

- Travel east on Voshell Mill Road
- Turn left onto US 13 Northbound
- Turn left onto Camden Wyoming Avenue
- Turn left onto S. Caesar Rodney Avenue

Westbound Traffic (From North Side of Closure on S. Main Street)

- Travel west on Camden Wyoming Avenue
- Turn left onto S. Caesar Rodney Avenue

Eastbound Traffic

- Travel west on South Street
- Turn right onto S. Caesar Rodney Avenue
- Continue to Camden Wyoming Avenue
- Turn right onto US 13 Southbound
- Turn right onto Voshell Mill Road

Motorists are reminded to slow down in work zones and to expect minor delays while traveling in the area.
